ST JAMES PRIORY
BRISTOL'S OLDEST BUILDING

Who we are :

- St James Priory is the oldest building in Bristol.
- The Church is Grade 1 listed and dates from 1129.
- St James Priory Project is the charity that manages all aspects of the Priory.
- The charity provides residential support for vulnerable people.
- St James House offers supported accommodation for people in recovery from addiction.
- Walsingham House (run by St Mungos) supports men with a mental health crisis.
- The Church is a quiet, tranquil place for silent prayer, reflection, meditation or rest.
- St James Priory Project relies on donations to support its charitable work.

Where are we :

- We are situated adjacent to Bristol Bus Station within walking distance from Bristol City centre.
- There is no parking available but there are several Public Car Parks close by.
- Access from Bristol Temple Meads railway station is by bus which operates ten minute services.
- General Bus and Park and Ride services stop nearby as well.
